

GLENDAS DANCE CENTER

NEWSLETTER #2

Hi GDC families!!

Hi GDC families! Just wanted to send home a few reminders and updates as we have had new registrations since the first newsletter :)

1. **Parking** - reminder that our parking lot has a drive thru lane. Please DO NOT block the drive thru lane to wait for your dancer to come out of class. You are free to stop in the drive thru lane if your dancer is already out and on their way to your vehicle, otherwise please circle back around as you are holding up traffic. Also please do not exit on Kentucky...please keep the traffic flow going out the side drive thru lane onto 14th. One more, lol...please do not make a parking spot in the driveway to the building. When you park beside the sign (not in a marked parking spot) you impede traffic on Kentucky. Thank you in advanced for following our parking lot rules. It keeps traffic flowing and much quicker pick up and drop offs! :D

2. Tuition is due the first week of every month. I will run payments for those on Auto Pay on Oct 1st. If you are using the Step Up foundation, please reserve funds for GDC during the first week of the new month.

3. If you were interested in having a custom shirt ordered, for yourself, your family members or your dancer, those are due in by **Friday, Oct 2nd**. For those who asked for the total to be put in your online accounts, those payments will be due Oct 2nd (if on Auto Pay...it will be run on Oct 1st for the shirts)

4. We will be measuring each dancer in the next few weeks. These measurements will be used for recital costuming purposes.

5. October will have a "Spirit" week at the studio! The week of October 26-30th is **Costume Week!** I will send out another reminder as that week nears.

6. We begin our Christmas show dances in October! Most classes will learn a Christmas dance. Those learning a dance will be able to take them to the St. Cloud Art Festival to perform on the stage. Some classes are not safe to do take to the stage and will not be participating in the Christmas shows (tap, pointe and acrobatic classes will not be included in our shows this season) Class attendance is necessary to ensure your dancer is prepared for their performance! These shows are not mandatory, completely your decision to participate!

Dates to remember:

Christmas Show: Saturday, 12/5, time tba (usually starts around 2:30pm..this show is for all classes except Acrobatics, Pointe and Tap)

Nursing home Christmas Show: Saturday, 12/12, 2:00 pm Aviata Nursing Facility (All three Combo 1, Both Combo 2, Ballet 1, Hip Hop 1, Jazz 1 & 2, Contemporary 1 & 2, Musical Theatre 1 and Tap 1 & 2 are invited to perform at this venue)

Recital Day, Saturday, June 5th at St. Cloud High School, times tba (will be announced in November on your costume bills!)

Happy October Everyone!!

dancingly yours,

Ms. Glenda
